

Christian P. Fannin

Of Counsel

cfannin@kreindler.com

212.687.8181

Christian Fannin joined Kreindler in 2011 and manages many of the firm's mass torts and complex litigation cases. Christian served on the litigation team for claims arising out of the BP Deepwater Horizon oil spill where he assisted in securing compensation for clients across the Gulf South. He played a pivotal role in Kreindler's work on the Fresenius GranuFlo and NaturaLyte dialysis medication case and currently plays an active role in the GlaxoSmithKline Zofran birth defect lawsuit.

> Our extensive experience successfully litigating pharmaceutical and medical device lawsuits results from the combination of conducting a thorough investigation with an unwavering dedication to attaining a full financial recovery for our clients.
>
> ~ **Christian Fannin** | Attorney

Christian is also heavily involved in the firm's representation of patients who received defective IVC Filters manufactured by a number of different companies. He is currently working on many other cases, including the Merck Fosamax litigation, the DePuy hip replacement litigation and the NFL concussion settlement.

Christian is an active member of the American Association for Justice and belongs to the Section on Toxic, Environmental, and Pharmaceutical Torts.

Christian graduated summa cum laude from Northern Kentucky University, Salmon P. Chase College of Law in 2010 where he was a Chase Excellence Scholar for the 2008-2009 and 2009-2010 academic years. He served as Associate Editor of the Northern Kentucky Law Review and completed an internship with United States District Court Judge David
